

# INVESTORS CIRCLE

---

The Investors Circle recognizes our committed donors who give more than \$1,000 annually to support children and families in reaching their full potential. Investors Circle members partner with Invest in Kids to provide programs with the highest quality of evidence across our state – programs proven to change the lives of children and families long-term. Whether providing extra training to nurses delivering care via telehealth, teachers diligently working with preschoolers, or assisting families as they heal from trauma, your support makes it possible for IIK's staff to make proven programs work for Colorado families – so all children can learn, grow, and flourish into the future.
